

The Easy Glider

Kick 'N Gliders Nordic Ski Club

It's March already; meteorological spring has begun and the chances of snow are slim. But the Kick 'N Gliders season is not over yet! We still have three important meetings coming up and we urge you to come.

On March 20, 1991, our program chairman, Charlie Cole will present a program on "Boundary Waters Canoeing". Charlie has done a great job of scheduling interesting programs by others this year. His program promises to be a fine way to finish the year and get everyone interested in summer activities.

The April 2, 1991 meeting is a **very** important meeting. We will be electing officers to serve next year and the more club members who can be involved by voting, the better. The Nominating Committee, consisting of Tom O'Donnell, Norma Brandon and Kathy Schick, will present a slate of nominees on March 20, 1991. We will also be planning summer activities. If you have an idea for an activity that you think other club members would be interested in, please come and share your idea.

On April 17, 1991, we will be planning next year's ski trips. Any ideas for trip destinations, particularly if you have some skiing and lodging information about the area, will be greatly appreciated. It takes input from many people to plan an exciting and varied trip schedule.

We look forward to seeing you at the last three meetings of the 1990/1991 season.

REVIEW OF 1990/1991

Special thanks to all of the trip leaders who, in spite of less than perfect cooperation from Mother Nature, organized enjoyable club "ski" trips. We couldn't have done it without you!

New Years at the Trailside Lodge was a very pleasant new stop for the Kick 'N Gliders. Although the cross-country skiing was limited due to inadequate snow (there was more in Pennsylvania the morning we left!), the sight-seeing in southern Vermont proved enticing. Our hosts at the Trailside Lodge were very accomodating and provided good food (more than most of us needed since we weren't skiing) and evening entertainment. We look forward to visiting them again, hopefully when there is more snow.

For the second year in a row, our luck at Crystal Lake held out and we had one of the best weekends of the season at this Kick 'N Glider favorite. The weather was harrowing Friday evening, with freezing rain, but there was enough snow that, once the icy layer was broken up by the grooming equipment, we were able to do some great skiing! Some of the new trails are lots of fun to ski. **Everyone** was talking about "Blue Moon".

Once again we stayed at the White Sled Motel on our Lake Placid Trip. This year, we had the whole bunkhouse to ourselves. We skied to Raquette Falls, a new trail for us, and some of the old favorites like Avalanche Pass and the ski touring centers. Cocktails at "The Cottage" and moonlight skiing at Cascade Ski Touring Center, complete with bonfire, added to the memories. Special thanks to the people who planned and organized our evening meals: Norma and Jim Brandon, Annesta Headley, Avis Ellis and Guss and Norie Pappas.

It was a warm weekend in Eaglesmere, but the hot tub at the "Cozy Dell" was irresistible! Although there wasn't enough snow at Hanley's Happy Hill, we found enough to ski for a few hours at Crystal Lake. The tobaggan run on the lake at Eaglesmere was a thrilling experience. Watching the deer cross the front lawn and relaxing by the fireplace contributed to a restful weekend. Kathy Schick brought "true New York City" bagels and made her wonderful spaghetti sauce, so no one went hungry!

Get out the skiis -- we're in Old Forge! Lots of snow made this weekend very special for the lucky twenty who made the trip. We skied the Big Otter Lake truck trail, Black Bear Mountain and McCauley. Maybe it was the excitement of having real snow for a change, but it's hard to describe the "high" we felt that weekend. Socializing at Daikers' and at the Pine Knoll Motel added a feeling of camaraderie. Thanks to Nancy Hill and Phyllis Zitzer for planning and preparing the evening meals.

Our weekend in the Black Forest was warm and almost snowless. A few diehards tried skiing while the rest of us hiked, went shopping at Woolrich, and did some sight-seeing. The Rubins invited us to their mountain home for hot cider and mulled wine before we returned to the Rocky Point Lodge on Saturday. Some of us tried out the new Rails-to-Trails along Pine Creek on Sunday. The trail is not finished yet so walking on the very large gravel was not easy; however, the scenery was nice.

ROSTER ADDITIONS AND CORRECTIONS

Please note the following additions and corrections to your 1990/1991 Kick 'N Glider Membership Roster.
