President's Message

Welcome to a new year of Kick 'n Gliders! I am honored to be serving as your president this year. I have some big shoes to fill following Rick Begley, who did a terrific job last year. I look forward to working with him as well as the other board members this year.

The board has worked hard to put together our winter schedule. We have a mix of our old favorites as well as some new locations. We kick off the ski season at Craftsbury at New Year's and don't catch our breath until mid March. For those of us who are retired and for those of you who can afford some time off work, we'll have two midweek destinations. We will be going to Quebec City after Pulaski for Winter Carnival and we will take a midweek jaunt to Ottawa between the Inlet and Turin trips. After a hiatus, we will return to Garnet Hill in February.

The slate of off-season activities is exciting as well. We will go to a Harrisburg Senators' game, party at Nissley Winery, sail the Chesapeake, and celebrate the fall with our Oktoberfest.

So come join us for educational and fun meetings and socials, ski trips, and our off-season activities. It's going to be a super year!

Take Me Out to a Ballgame ...

Come join us for an evening of baseball at City Island. Reserved seats (under cover) have been put on hold for Thursday, July 14, when the Harrisburg Senators host the Altoona Curves, a Pirate affiliate. FYI, the "giveaway" that night is a replica jersey to the first 1,500 kids. Gates open at 5:00 and the game's at 6:35.

Mark your calendar now and send your check for \$7.00 to the Kick 'n Gliders P.O Box by June 22. Any questions, call Sandy Stine at 717-392-1675(h) or 717-471-6329 (c).

Hope you can join us!

Nissley's Vineyard Concert

See Kay & Bill Pickering enter stage-right as they host a return engagement at Nissley's Vineyard on Saturday, August 13.

Join us as we eat, dance (and dare we mention ... drink?) to the melodies of the City Rhythm Orchestra who play classic swing with R&B.

The concert runs from 7:30 to 10:00 pm, but we strongly recommend an arrival time of not later than 6:00 to make sure the site hasn't filled to capacity before you arrive. Bill & Kay will secure a space for K 'n G folks on the lawn and will have

snacks to share. Bring your own picnic supper, lawn chairs, and a blanket if you wish. No alcoholic beverages may be brought in but, of course, you can purchase wine at the site.

General admission tickets are \$14.00 at the gate. Please let Bill and Kay, 717-232-1326, know if you plan to attend so they can be sure to have enough lawn space saved for the group.

Chesapeake Bay Sailing Cruise

Join us for a club sail on the beautiful Chesapeake Bay! Dave & Jan Powell will lead a five-day sailing cruise on the Bay. We will have two boats, a 42-foot boat chartered by Dave and Bill & Sandy Stine's 34-foot boat. The plan is to go aboard the evening of Sunday, October 9, 2005, and return to port mid-day Friday, October 14, 2005. The boats are both berthed in Rock Hall on the eastern shore of Maryland's portion of the Chesapeake. The itinerary will depend on the wind, tides and weather. We will sail each day, then anchor out and raft up each afternoon and evening. We will probably go into a marina for at least one night and eat dinner ashore.

The Stines O'Day 34 will accommodate Bill & Sandy plus one couple and one single. The Catalina 42 chartered by Dave will accommodate Dave & Jan plus two couples with room for another single on the couch in the main cabin. Note that "couples" can be anyone who does not mind sleeping in close quarters and sharing a bunk with someone else.

The cost per person will be \$385. The price includes the cost of the charter boat, fuel, basic meals and the cost of spending a night at a marina during the cruise. The price does not include any personal beer, wine, sodas, snacks you wish to bring along or dinner ashore.

A \$100 deposit to hold your first-come, first-served reservation should

be mailed to our treasurer, Dave LeRoy, at the Club's PO Box. The balance is due by October 1st.

Early October is a great time to sail the Chesapeake Bay and you won't find many opportunities to sail the Chesapeake Bay at this low price!

Contact Dave Powell, 717-796-0689, or Bill Stine, 717-392-1675, if you have any questions.

Saving Stony Valley

The valley formed by Stony Creek, it is tucked between Second and Stony mountains in Middle Paxton Twp. It amounts to 35,000 contiguous acres with 18 miles of watershed and is said to be the largest road-less wilderness in Pennsylvania. It was designated a Wild River Component of the Pennsylvania Scenic Rivers Program in 1980 and is the last remaining remnant of St. Anthony's Wilderness Area.

The Pennsylvania National Guard plans to acquire about 2,100 acres of the "Valley" to create a safety buffer zone along Fort Indiantown Gap's northern boundary. This will make the land inaccessible to the public. The Guard has asked the U.S. Fish and Wildlife Service and the Pennsylvania Game Commission to provide land suitable for a swap.

The Stony Creek Valley Coalition, originally formed to fight the attempt by PPL's attempt to build a hydroelectric plant in Stony Creek Valley, has reactivated to oppose the swap. The Game Commission has the right to swap land without approval from other State agencies. Therefore, donating money to the Coalition and putting pressure on

state politicians is the main thing you can do to help.

Learn more from the Coalition's web site at www.savestonvalley.com.

Crystal Lake Skiing Subsidy

The Kick 'n Gliders has agreed to continue our financial subsidy for members to ski at Crystal Lake.

This year the arrangement will be to pay half of the daily trail pass rate, currently \$15 per day.

Crystal Lake has the best designed trail system in eastern Pennsylvania and it's only a couple of hours' drive for many of our members. If you haven't experienced Crystal Lake's trail system, it's time you did.

Make a point to visit Crystal Lake this winter!

Ski Canada!

This year we are adding two new and exciting destinations. Quebec City for Winter Carnival and Ottawa.

The Quebec trip immediately follows Pulaski so that you can continue north to Canada, if you like. We will be staying in Old Quebec within the walled city at the Hotel Clarendon. Old Quebec is a charming old world city with lots of sightseeing and shopping opportunities within walking distance. Winter Carnival makes this trip even more special. There are parades, snow sculptures, ice miniature golf, toboggan slides, and a general party atmosphere. And there is lots of skiing within an hour of the city. Mont St. Anne is the second largest cross-country center in North America with 220 km of groomed trails. In fact, there are more than 30 cross-country centers within an hour of downtown.

Ottawa will fall between the Inlet and Tug Hill trips, so participants can go north instead of driving all the way back home between these trips. We'll be staying in the city so that you can explore the vibrant and charming downtown area on foot. And, the superb skiing of Gatineau Park is only a 20-minute drive away.

* Holiday Weekends. Mark your calendars, save your money, and stay tuned for the Season Schedule and Trip Guide for more details!

You may send a \$50 deposit, now, to reserve a spot on any of the above trips. Mail deposits to: Kick 'n Gliders, PO Box 7054, Mechanicsburg, PA 17050.
