**Bike Ride**  
**Sep 19, 2018**

Since our Mt Gretna ride scheduled for 9/9 was rained out I decided to take advantage to a break in the rain and get a bike ride together. The original idea was to ride the Northwest Lancaster County River Trail, but after some research I discovered that it really was a river trail. The Susquehanna was flowing at over 40' and expected to rise so not wanting to get marooned I moved the ride to the Conawago Trail, not knowing if that trail had sustained any damage from the severe flooding in Lancaster County the week before.

As it turned out the trail was in good shape and 9 of us set out for the Porch and Pantry in Mt Gretna for lunch. Tim Musser had stopped at Bainbridge on his way to our meet up and had some pictures to share of the rising river to confirm that the decision to move the ride was a good one

Dave Leroy, Nancy Kauh, Tanya and Fred Richter, Ron Henry, Tim Musser, Cindy Borzilleri, Ed Cooke and Nan Reisinger started at the RT230 parking lot and were met by David Walborn at about the half way point riding the opposite direction. It was a great day for riding. It was sunny and cool for our 22.5 mile ride.
