DAY TRIPS

I'm thinking and hoping that the weather pattern that brought us soooo much rain this summer will continue and will bring us lots and lots of snow.

I would like to make an email list of folks who are interested in local skiing so I can just send out a notice with a time and place. This would be a show and go. If you are interested just show up at the location and ski with me. Keep it simple. I am not using the Web Page because of time lag. The skiing conditions may be short lived and notice may be the night before.

If the location is, say, Crystal Lake, I would give a local met up spot so we can car pool.

Email me at nanreisinger@comcast.net to get your name on the list.
